IGH Solutions is now Travel Tags, Inc.

Since its foundation in 1973, Travel Tags has evolved and adapted to grow with our customers, helping them meet their business needs. This collaboration has made us a World Class Leader in printing and fulfillment. To ensure we have a sustainable model for future growth, we have created a re-organization plan with the clear goal of strengthening our customer focus.

As a part of this initiative, we will discontinue the use of the IGH Solutions name. **Travel Tags, Inc.** will now serve as the umbrella over our family of companies including Card Fulfillment Services, Narboni, Travel Tags, Virtual Images Unlimited, and Western Graphics & Data. We have also elected to divest our retail graphics division, PhotoCraft, which will now operate autonomously.

So what does this mean to you?

You can be confident that we are on a long-term, sustainable growth path, led by a team of professionals who are committed to innovation, quality and world-class customer service. We have updated our corporate URL, www.traveltags.com, to emphasize the Travel Tags, Inc. companies.

If you have any questions, please do not hesitate to contact us. We thank you for your continued business, and look forward to helping you succeed in the future.

Sincerely,

James Wade Crecelius

President, Travel Tags, Inc.
